Circle these frog and toad names in the puzzle.
 Good Luck

green treefrog
 barking treefrog
 quirel treefrog
 narrowmouth toad
 spadefoot frog
 crawfish frog

pig frog
 leopard frog
 bullfrog
 oak toad
 river frog

Nature's Notes

Mississippi has 28 species of frogs and toads.

Frogs and toads are amphibians.

Amphibians spend time in water and on land.

Male frogs and toads call their mates with loud chorusing (singing)

Listen for mating choruses on late spring and early summer nights.
